## LARGE CAPACITY commercial drive-up system

Hamilton's HA-33 handles the most demanding commercial deposit challenges—scores of rolled coin, paperwork and even night deposit bags. The powerful HA-33 also delivers heavy-duty benefits for your commercial drive-up customers that include:

- **Huge carrier Capacity**—over 500 cubic inches
- **Easy-to-use captive carrier**—accepts night-deposit bags and heavy, commercial coin and currency deposits
- **One-touch operation**— just push the “send” button
- **No customer confusion** or fumbling. All your customer has to do is look at the HA-33's top-loading carrier and they'll know immediately how to operate it
- **Optimum presentation height** reduces the distance a driver must reach to operate the HA-33
- **Crystal-clear communication** with state-of-the-art Hamilton audio system
- **Optional two-way video** provides the ultimate in teller and customer communication
- **Easy and versatile installation options**—for both new construction and remodeling
- **Low maintenance** stainless steel, all-weather construction
- **Legendary Hamilton reliability**
